Dear Ms. Gentile;

On behalf of A Purrfect World, I would like to express our gratitude and also want to thank you so very much for your concert performance at our Holiday fundraiser. Not only did it raise a tremendous amount of money at for A Purrfect World but it brought together a wonderful group of people and raised such a great awareness as to the importance of the work we do in the community. Everyone who attended was so incredibly touched and impressed by your performance and we sincerely hope that you will once again partner with us in the near future.

Your talent and commitment to your work and to helping others is amazing. We thank you for helping us to create "A Purrfect World" and look forward to working with you again.
