Petersburg, New Jersey 08270

Dear Linda,

On behalf of the members and friends of Beargrass Christian Church, I want to thank you for sharing your incredible musical gifts and passion for serving God during our worship services. We deeply appreciate your willingness to go "above and beyond" by participating in all of our services, as well as your flexibility in trying something new. Our folks were inspired by your God-given gifts and your stories about your ministry in China.

We are blessed to be able to support your ministry and trust that the enclosed offering will bless the lives of the children in China.

May God's richest blessings be upon you as you continue to travel and share God's love and light with the people you meet around the world.

Grace and peace to you and yours—

Dr. Leigh Bond

*Thanks for
everything!
Linda!*
